ENROLLMENT AGREEMENT

Students who enroll in Keystone National Middle School must have a working knowledge of the English language. Parents are responsible to verify that the KNMS program meets the homeschool requirements of their district or state. The listed fee for each course requested must accompany the completed and physically or electronically signed Enrollment. KNMS will ship applicable course materials upon acceptance of student's enrollment. Keystone will provide examination services, student services and academic records in a prompt and professional manner. The starting date is the date this enrollment is processed by Keystone and students have a minimum of 8 weeks and a maximum of 1 calendar year from the starting date to complete their courses. Due to US Treasury requirements, Keystone cannot offer refunds to students with a non-US address. The student or school has the right to terminate enrollment at any time. All students are protected by our liberal Tuition Refund Policy(see form); Keystone Payment Plans are non-interest bearing loans from the school and obligations must be paid even after withdrawal when falling outside of the referenced Refund Policy. If students violate Keystone policies that govern student behaviors and are determined to cause potential harm to Keystone's academic integrity or physical/emotional harm to others, consequences may include course failure or expulsion; in either case, the financially responsible party is not entitled to a refund of fees, and payment plan obligations are still in effect. Additional information requests, questions, and concerns that are not satisfactorily resolved by KNMS school officials may be directed to the State Board of Private Licensed Schools, Commonwealth of Pennsylvania, or AdvancED.

MIDDLE SCHOOL TUITION REFUND POLICY

To request cancellation, call Student Services at 1.800.255.4937. No refunds are given after 30 days of enrollment. Shipping charges are not refundable. Due to US Treasury requirements, Keystone cannot offer refunds to students with a non-US address.

If a refund is requested within 30 days of enrollment and the workbook is returned in as-new condition, all tuition monies will be refunded. $35 will be withheld for each unreturned, used or damaged workbook.

☐ I have read, understood, and accepted all the terms of the Enrollment Agreement listed on the back, and I have received and read the school's current student information publication.
